

5-Click Back-to-School Supply Program

Directions for Teachers

It's FREE and EASY to participate in our 5 Click Back to School Program. Just send us your Back to School Supplies List and we'll create a custom package for you. [Click here for an example.](#)

Parents and students will thank you for providing them with such a simple and convenient Back to School Shopping Solution (BTSSS), as well as the special discount pricing that helps them save more money. Even better, by participating in the 5 Click Back to School Program, you'll receive a Limited Edition Tomorrow's Classroom VIP Card which entitles you special discounts and invitations to private sales!

1) **Already have a list of Back to School Supplies?** Fax your list of school supplies, along with following information, to **(888) 734-6293**.

- Your First / Last Name
- Your School Name
- Grade / Course
- School Address, City, State, Zip
- Your Phone
- Your Email

(You can also email all of the information to Info@TomorrowsClassroom.com.)

2) **Need to make your Back to School Supply list?**

- Log on to [Biggest Book](#) (It will create a printable, faxable list for you.) Be sure to use Internet Explorer, or the "Email List" button may not work.
- Simply select each item your students will need, locate it on the site, and click "Add to List."
- When your list is complete, click "View My List." Then click on "Email List" and send it to Info@TomorrowsClassroom.com. Be sure to include your name and other pertinent information requested above, so that we can respond.
- You may also wish to print the list for your records.

In both cases, you'll receive an email confirmation that will include the total cost of your classroom's Back to School Supplies - as well as the URL of your package's page. Your list will posted online, on your own personal page, where parents or students can click to buy, as well as read any special notes you'd like to include. Items are overnighted and typically received in 24 - 48 hours.

Free 5-Minute Back to School Handouts

After you send us your list, check your email for our **5-Minute Back to School Handout**. It enables you to easily notify parents about your customized "5 Click Back to School Supplies" page. It lists your school supplies, the URL of your personal page and the total cost of the package, including shipping costs. Simply click to print enough handouts for your entire class. You can also post the file online, or email it as an attachment.
